

FURY

Acid Presoak

DESCRIPTION

A cost-effective alternative that provides the hard cleaning needed when other presoaks are not cutting it. Just a step below the cleaning of Presoak X. Fury, is made to remove tough road film and windshield "eyebrows".

USAGE INSTRUCTIONS

This product should be applied as the first step in a two-step cleaning process. For touch free cleaning apply at 200-300:1 (6-10 drops). For more difficult cleaning conditions slowly increase strength. For friction applications consult your sales representative. Using soft water will improve foam profile and product performance.

FEATURES

Effective "eyebrow" remover. Excellent wheel cleaner. Strong acid and surfactant mix for heavy duty cleaning
