

KNOCKOUT

High Pressure Detergent

DESCRIPTION

This concentrated high pressure detergent has amazing fragrance and foam. Designed for use in self-serve applications, this moderately alkaline detergent will give customers the cleaning power they crave. With its powerful Clean fragrance, Knockout will deliver a performance worthy of its name.

USAGE INSTRUCTIONS

Knockout is ideal for high pressure detergent (commonly referred to as wash soap) in self-serve applications. The product can be run for a final dilution of up to 500-600:1. For greater foam, increase strength and for reduced foam decrease strength.

FEATURES

- Highly concentrated for economical use
- Phosphate free
- Amazing fragrance and foam
- Compatible with all equipment
