

WHEEL & TIRE

Tire Cleaner

DESCRIPTION

This heavy duty alkaline detergent is designed to clean both wheels and tires. This product removes the toughest road soils and aides in the release of brake dust from wheels. This specialized formula helps to whiten white walls and restore that new tire look. Simply apply to dirty tires and wheels and watch the dirt run!

USAGE INSTRUCTIONS

This product is strong, handle with care. When applying to tires in a touchless setting begin at 22-34:1 (18-26 drops). Allow to dwell before rinsing thoroughly. For extremely dirty tires slowly increase strength. When applying product to tires in a friction setting (automated tire brushes) begin at 30-50:1 (12-20 drops). Allow to dwell before scrubbing with tire brushes. Not recommended for dry tire application (consult your sales representative if you have questions on this application).

FEATURES

- Brightens white walls and raised letters
- Removes brake dust deposits
- Biodegradable
- Foams well

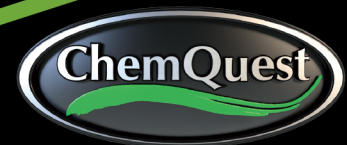

SIZES AVAILABLE

5-gallon pails Code: 10-90020-005
